The Salinan Tribe Greeted The San Salvador In Morro Bay

We had a wonderful turn out to meet the San Salvador. The weather was great. We had many tribal members, as well as spectators present for the reenactment. Those who participated in the Tule canoe journey were clothed in the attire of that time period. Once they returned to the shore they greeted the San Salvador and its crew on the dock, where Don Pierce Jr. greeted the captain and exchanged gifts. The group was taken on board for a tour of the ship.

Saturday, October 29th 1-4 pm is our annual celebration to honor the Salinan Ancestors. We are offering space in the Garden for you to have a table to spotlight your talents. Please come be part of this special day. and allow the public the chance to meet you and see more of your work than what we have in the gift shop.

Setup should be completed by noon so please arrive accordingly to eliminate last minute congestion and noise.

Let me know by October 15th to secure your spot.

John Warren and his performers will provide music and song during the ceremonies in the Church. Members of the tribe will then lead a procession to the Cemetery and pay tribute to the Ancestors with recitations in their native language. It is always a very moving experience to share in this beautiful cultural event at Mission San Antonio.

A light reception in the garden will follow.

We look forward to your being here to participate in honoring those who were here before us at Mission San Antonio de Padua.
