Summer Solstice, Morro Rock (Lesamo')

Wind and sunshine greeted the ascenders at Lesamo', Tribal members guided by Josh Cody, (climbers) George McCormack, Matthew McCormack and Aurelia McCormack.

Were smudged with sage and blessed by Mary Rodgers before ascending Lesamo'.

As the climbers returned George McCormack said speaking of himself, "a 73 year old fart, ascended Lesamo'".

The day was blessed with fun, family, friends and good food, as well as stories and music, all in all the gathering at Lesamo' was wonderful.

Vision of the Salinan Tribe

We, as the Salinan Tribe, follow the way of our ancestors as we walk the path of our heritage toward becoming complete individuals. We exercise our rights as a sovereign entity. We continue to reawaken our culture. Each and every tribal member has an equal voice.

We, as the Salinan Tribe, commit to honoring the rights of each and every tribal member to practice our spiritual, individual, or religious beliefs. We remember and honor our ancestors, elders, and children now and for all generations to come.

We as the Salinan Tribe, continue to gather as a tribal family.
